700MHz Wireless Microphone Relocation Rebate Offer

We, at Bosch, want to help our end users comply with the recent FCC order to cease the operation of wireless microphones above 698MHz by June 12, 2010. Bosch Security Systems, Inc. ("Bosch") has decided the best way to assist our customers in relocating their wireless microphones that operate within the reallocated 700MHz band (698 - 800 MHz) is to offer them a rebate. End users can qualify for a maximum of \$500 per system on the purchase of new Telex or Electro-Voice branded products with the return of any working 700MHz wireless microphone system (Telex, EV or any other brand). This rebate offer is only valid for purchases made from January 1, 2010 through August 31, 2010.

To claim this compensation, please follow these three (3) easy steps:

There are just three easy steps to claim your rebate:

1) Purchase a qualifying Telex or EV system or component from the list below.
