

EVOLVE70-90-PL-S Short Pole

- 100-mm short pole for EVOLVE 70 and EVOLVE 90 systems
- Made from aluminum extrusion
- Compatible with both EVOLVE 70 and EVOLVE 90
- Available in black or white

EVOLVE70-90-PL-SB and EVOLVE70-90-PL-SW short distance poles are able to replace the EVOLVE70-90 pole when using the system in an elevated surface, such as a stage.

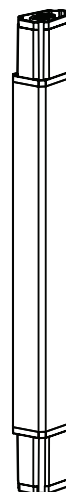

Once assembled, the total system height is reduced by 445 mm (17.5 in). This results in a total system height of 1901 mm (74.8 in) for the EVOLVE 90 and 1814 mm (71.4 in) for the EVOLVE 70.

The short poles are made from aluminum extrusion and feature magnetic latching. This ensures lightweight and ease of assembly.

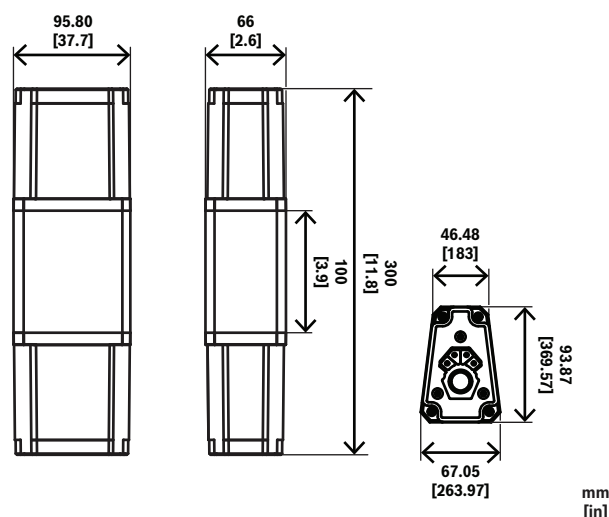

Compatible with both EVOLVE 70 and EVOLVE 90 column loudspeaker systems, the short pole is also available in black or white.

Technical specifications

Material	Aluminum
Color	Black or white
Dimensions (H x W x D) (mm)	300 mm x 66 mm x 95.8 mm
Dimensions (H x W x D) (in)	11.8 in x 2.6 in x 37.7 in
Shipping dimensions (H x W x D) (mm)	650 mm x 650 mm x 338 mm
Shipping dimensions (H x W x D) (in)	25.6 in x 25.6 in x 13.3 in
Weight (kg)	0.90 kg
Weight (lb)	2 lb
Shipping weight (kg)	1 kg
Shipping weight (lb)	2.20 lb
