

WC-P Weather cover pendant

- Weather cover for EVID-P6.2 pendant speaker

The weather cover accessory is designed to fit the EVID-P6.2 pendant loudspeaker and protect the audio connections from the environment. The weather cover accessory is required when using the speaker outdoors or in situations where it's exposed to rough weather conditions, and when it's used in applications that require UL1480A or CSA C22.2 for protected outdoor installations.
